

OFFICE OF INTERNATIONAL STUDENTS NEWSLETTER

SECOND EDITION

MEET OUR INTERNATIONAL STUDENT AMBASSADORS!

Echo, originally from Taiwan (ROC), is a gradu-

ate student in the MBA program. She is passionate about cooking and eating and loves that Rutgers-Camden is just one train stop away from Philadelphia!

Parth is an undergraduate student studying biology (pre-med). He

hails from India and enjoys playing squash. His best advice for students? Get involved—make new friends, learn new things, visit new places and experience American life!
